January 8, 2007

To Long Range Planning Committee:

I would like to submit my support for the Big Hole Ditch Improvement Project that has been submitted for RRGL (Renewable Resource Grant) funding as submitted by the Beaverhead Conservation District.

The Big Hole Watershed Committee has a long-standing reputation of solution-oriented collaborative practices that have been in the best interest of all parties.

Sincerely,

A handwritten signature in cursive script that reads "Bill Tash".

Bill Tash
